Press OK

## Windows 2000 / NT / XP

Go to Start > Settings > Control Panel > Sounds and Audio devices

Click the 'sounds' tab. In the window, scroll down to 'Windows Explorer' and in the sub menu, highlight 'Start navigation'

Pull down the drop down box below, where it currently says 'Start' or 'Windows Start' and choose '(none)' instead. Click 'Apply', then click OK, and close the Control Panel.
